Matters arising

- a) Highway Matters –Following the complaint about the style of replacement (replaced in November 2016 as they contained asbestos) street lighting in East End, we have been advised by South Glos. that all the street lighting will be changed to LED in due course. South Glos. will be visiting the village shortly to look at existing lighting and then the long process will start which includes the conservation officer. The style of replaced lighting in East End will be included in the village wide replacement programme.
- b) Marshfield Outdoor Recreation Association –Treework will be carried out on 2nd August. The car park is being locked at 9.00 pm to stop joyriders.
- c) Local Housing Requirement-Nothing to report

District Councillor Feedback

Cllr Reade explained there are now 2 options for the new motorway junction the Western option at Lyde Green (by the current Science Park) and the eastern option at Pucklechurch/Westerleigh. Formal consultation will be in September to October 2017.

Matters for Discussion

Mrs McManus and Cllr Munro-Davies gave their apologies for the next meeting.

Cllr Veitch advised that on speaking to John Miller who was the driving force behind getting the 3 cabinets for superfast broadband, the average village Download speed was 94.7% of advertised speed and 92.8% for Upload speed. We understand there is still space in the cabinets. The Councillors expressed their thanks to John Miller for all the time and effort he has put into this project
