The Elmhurst Foundation have now purchased the Coombe Grove Manor & will be putting all their resources into this new project and The Crown is now back on the market. The CLT are aware of all the facts but have advised informally that it is unlikely they will be interested in developing the Crown. The Community Library opens on 23<sup>rd</sup> March at The Community Centre from 2.00pm to 4.00pm and will be open on the opposite weeks to the mobile library. A formal launch will take place towards the end of April. Details to follow.

The Horticultural Society & Village Day committees have requested the usual support for the Village Day which has already been approved by the Parish Council in the Precept allocation of grants.
