A member of the public asked if the CLT can be at the Annual Parish meeting to give an update on the progress made. Cllr Albon-Crouch agreed this would be sensible and the CLT's attendance would be welcomed. He will extend an invitation to the CLT.

Cllr Sweet advised that the Cotswold wardens organised walks met in the Market Place and increased the problem with parking. However after discussing with a warden they are only mornings and the walkers often use the Pubs and Sweetapples for lunch. If they used a layby for parking they may well not use the local facilities.

Cllr Christie gave his apologies for the next meeting.
